

# CLEMSON LIGHT IMAGING FACILITY

Presents

The 2nd Annual

HOOKEd on  
Microscopy  
a light micrograph competition

This Year's Contest Features Two New Categories!

Expert's Choice:

- 1st Prize - \$300
- 2nd Prize - \$200
- 3rd Prize - \$100

People's Choice:

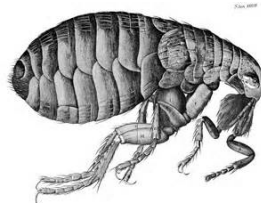

- \$100

**Deadline for Submission: SEPTEMBER 15TH, 2015**

FOR CONTEST DETAILS VIST OUR WEBSITE  
[HTTP://WWW.CLEMSON.EDU/CAFLS/LIF/](http://www.clemson.edu/cafls/lif/)  
OR EMAIL [IMAGING@CLEMSON.EDU](mailto:IMAGING@CLEMSON.EDU)

About the Contest:

Microscopy pioneers, such as Robert Hooke, (left), had no cameras to capture their microscopic observations. Instead, they compiled detailed illustrations of the view magnificent microcosm (left, history-of-the-microscope.org). Today, we honor these early scientists with a contest to compile beautiful images captured with modern light microscopes.
